Call to Order

Director Sullivan convened the special meeting at 11:04 a.m., noting that a quorum of the Board was present and had confirmed their continuing qualification to serve as Directors.

Disclosure Matters

The Board had been previously advised that pursuant to Colorado law, certain disclosures by the Board members might be required prior to taking official action at the meeting. The Board then reviewed the agenda for the meeting, following which each Board member confirmed the contents of written disclosures previously made, stating the fact and summary nature of any matters, as required under Colorado law, to permit official action to be taken at the meeting. The Directors specifically noted that they are members of a limited liability company that purchased additional ground located in the District on September 30, 1999, in an arms-length transaction. The Board determined that the participation of the members present was necessary to obtain a quorum or otherwise enable the Board to act.

Director Seeley reported he had disclosed his interest as an owner of property located within the District, and his association with Brookhill VII, LLC, developers in the District. This disclosure is associated with approval of items on the agenda
