

**RESOLUTION OF THE BOARD OF DIRECTORS OF THE
WESTGLENN METROPOLITAN DISTRICT**

Imposing a Development Fee and Repealing Prior Development Fees
Recorded in the Real Property Records of the Jefferson County Clerk and Recorder at

Rec. No. 2017094363 and Rec. No. 2020002813

RECITALS

A. The Westglenn Metropolitan District (the “**District**”) is a quasi-municipal corporation and political subdivision of the State of Colorado located in City of Westminster, County of Jefferson, Colorado.

B. The District was organized under Title 32 of the Colorado Revised Statutes to provide public facilities and services, including, but not limited to the financing, construction, operation and maintenance of water and sanitation systems; storm sewer systems; streets, traffic and safety controls; park and recreation improvements; sidewalks etc. (the “**Public Improvements**”).

C. The District is authorized, pursuant to § 32-1-1001(1)(j) and (k), C.R.S., to impose and, from time to time, to increase or decrease fees, rates, tolls, penalties or charges for services, programs, or facilities furnished by the District, including the Public Improvements.

D. The District purchased property and constructed Westglenn Park for the ongoing benefit of its residents and taxpayers and financed the acquisition and construction with bonds that will be paid off May 31, 2024.

E. The District completed its Phase 1-III irrigation projects and installed pumps and other facilities to improve landscape, tree lawn and park maintenance.

F. The District incurred additional costs for maintenance of the Park and landscape areas due to changes in weather patterns, recent new improvements and usage of the parks.

G. The District Board has provided new and upgraded access points, new landscaping amenities and recreation facilities and will face increased maintenance costs attributable to new construction in the District and increased park usage by new residents.

H. The Resolution of the Board of Directors of the Westglenn Metropolitan District Regarding the Imposition of a Development Fee was recorded in the real property records of Jefferson County, Colorado at Rec. No. 2017094363 on September 13, 2017 and a new Resolution Imposing Development Fee and Repealing the Prior Development was recorded at Rec. No. 2020002813 on January 8, 2020 (“**Prior Development Fees**”).

I. The Prior Development Fees were imposed to address the same District concerns and purposes expressed herein, however; the Board has reconsidered the amount of the Prior

Development Fees and the newly added facilities and further increased usage and maintenance costs of the Public Improvements.

J. To offset some of the increased costs of the financing, construction, operation and maintenance of the new Public Improvements, the District has determined that it is necessary to impose a development fee on all property located within the District described on **Exhibit A**, and upon any additional property which may be included into the District’s boundaries from time to time (the “**Property**”).

THEREFORE, be it resolved by the Board of Directors of the Westglenn Metropolitan District that:

1. Repeal of Prior Development Fees. The Prior Development Fees are repealed and replaced in their entirety by the Development Fee imposed by this Resolution.

2. Development Fee. A Development Fee is imposed on the Property according to the following schedule:

<u>Property Type:</u>	<u>Development Fee</u>
Residential (Single-Family)	\$ 3,078.00 per single-family unit
Residential (Multifamily)	\$ 3,078.00 per multifamily unit

The Development Fee increases annually on April 1 by the Bureau of Labor Statistics Inflation-Denver-Aurora-Lakewood Consumer Price Index Value for the preceding year without further Board action.

3. The Development Fee is due upon issuance of a building permit for construction of any single-family home or multifamily structure issued after the date of adoption of this resolution or upon any change of use determined by the Board to increase the maintenance burden on the park or District facilities.

Payment shall be made to:

4. Failure to Pay When Due. If the Development Fee is not paid when due:

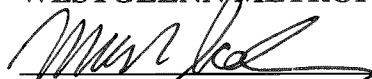

- a. Interest shall accrue on the unpaid Development Fee at the rate of 12% per annum from the date due; and
- b. A delinquency charge of 5% of the unpaid amount of any Development Fee will be charged each month and shall accrue until paid, not to exceed a total of 25% of the unpaid amount of the Development Fee; and

c. The District may initiate collection of all unpaid Development Fees, interest, and delinquency charges in accordance with the procedures set forth in § 32-1-1001, C.R.S. or pursuant to any other remedies available at law or equity. The District may recover its attorney fees and other costs of collection.

5. Perpetual Lien. Pursuant to § 32-1-1001(1)(j), C.R.S., until paid the Development Fee, together with any interest, delinquency charges, and costs of collection due, constitutes a perpetual lien on and against the property for which the Development Fee is due.
